'The erosion of the Holderness coast'

*Proceedings of the Yorkshire Geological Society*, 20, 32-39

Locations of 66 measurement lines

---

*Sheet 146 Bridlington*

- A From edge of cliff at south end of sea-wall to a point in line with edge of maximum loss.
- B From N.E. corner of farm buildings at Wilsthorpe.
- C The ruin at Auburn.

*Sheet 163 Barmston*

- A From the N.W. abutment of bridge to cliff edge in a N.E. by E. direction to pass the truncated angle of cliff.
- B From the cliff edge along the road to N.W. corner of Coastguard Station, Ulrome.

*Sheet 180 Skipsea*

- A Edge of cliff to farm gate at junction of Cliff Lane with road from Skipsea.
- B Distance of mouth of Withow Dike from road fence.
- C Edge of cliff to S. end of Cliff Lane.
- D Edge of cliff to small pond in field, Skirlington.
- E Edge of cliff to sharp bend in drain just S. of Low Skirlington.
- F Edge of cliff at Moot Hill to N. end of Long Lane.
- G Edge of cliff along road from Atwick to S. end of Long Lane.
- H Edge of cliff to gate post at N end of Hornsea Cliff Lane.

*Sheet 197 Hornsea*

- A Edge of cliff to fence. Measured along the direction of footpath to Hornsea Waterworks.
- B Edge of cliff to triangular duck pond, Hornsea Burton.
- C Edge of cliff to pond in first field from site of Hornsea Burton Farm.
- D The edge of cliff touches N.E. corner of field immediately S. of second farm from H.B. [Hornsea Burton]
- E Edge of cliff to N.E. corner of shed in same field.
- F Edge of cliff along U. D. By. [Urban District boundary] to post in fence.
- F6 Edge of cliff to small pond, due E. from Rolston Hall.
- F7 From Crown of main road along Cliff Lane to edge of cliff.
- G Cliff cuts small pond near road from Church.
- H From cliff edge to end of road from Church.
- J Length of north bank of gap at Mappleton.
- K Edge of cliff to first bend in parish boundary, Easthorpe Hill.
- L Edge of cliff along field-division to drain, Easthorpe Hill.
- M Edge of cliff along hedgerow to drain in same field.
- N Corner of field due E. of northernmost farm, Great Cowden, only 2ft. from cliff-edge (October 23, 1922).

*Sheet 213 Aldborough*

- A From sharp corner of road. Measured at right-angles to cliff edge.
- B From cliff edge to dated stone in building.

- C From cliff-edge to N.E. corner of Moat Farm.
- D From cliff edge to N.E. corner of Chapel.
- E From cliff edge to pond in field near Frank Hill Gate.
- F From cliff edge to southern bend in 6ft. drain same field.
- G From cliff edge to N.E. corner of Black House Barn.
- H Shortest distance of outbuilding, Talbot Hotel, from cliff edge.
- J From cliff edge to S.W. corner of Beer House.
- K From dip in cliff to hedge.
- L Along hedge to gorse patch, East Newton.
- M Cliff comes up to corner of field to N. of Ringborough Farm.
- N From cliff edge to pond in old field-division E. of above farm.
- O Cliff cuts off corner of field immediately south of above farm.

*Sheet 228 Hilston*

- A From cliff edge to pond N.E. of Hilston.
- B From cliff edge to N. end of Pastures Lane.
- C From cliff edge to hedge opposite Guide Post, at junction of Hilston Road and Pastures Lane.
- D From cliff edge to Bridle Path E. of Tunstall Church.
- E From cliff edge to crown of road at L bend south of Tunstall Coastguard Station.
- F From cliff edge to corner of field containing "The Bungalow."
- G From cliff edge to pond in line of fence.
- H Cliff now cuts another pond in same field.

*Sheet 243 Withernsea*

- A Measured on 1852 Map from edge of the cliff to point plotted as edge of cliff at back of North Cliff Farm to-day.
- B From cliff edge to N.E. corner of shed near fold-yard gate, Intack Farm.
- C From cliff edge along hedgerow to S. of nearest field to sea, Neville's [Farm].
- D Length of S. bank of "The Runnell" to first hedge.
- E From edge of cliff to pond near "Look Out" at Cliff House Farm, Holmpton.

*Sheet 257 Easington*

- A Line crossing site of ruined Chapel, Out Newton. Measured N.E. from fence of fold-yard.
- B Shortest distance from cliff edge to N.E. corner of field containing Cliff Farm.
- C From edge of cliff to corner of field. Measured along parish boundary on Dimlington High Land.
- D From edge of cliff to N.E. corner of Dimlington Farm buildings.
- E From edge of cliff to crown of road at Warmer Lane corner.
- F Cliff cuts corner of field due east of Easington Mill.
- G From cliff edge to first hedge south of 10 Chain Road.
- H From cliff edge to fence round Kilnsea Beacon.
- J Line o[f] maximum loss for sheet, two fields south of the Beacon. Measured on map at right-angles to old cliff line.

*Sheet 269 Kilnsea*

- A Maximum loss at top of sheet. Measured on map at right-angles to old cliff' line.
- B From edge of cliff to stone in Blue Bell Inn.
